Achieving Together

12th October, 2018.

Dear Parents and Carers,

Parents Evening for the autumn terms will be taking place on Tuesday, November 13th

There will be an opportunity for you to meet with your class teacher to discuss your child's/young adult's progress and development towards learning intentions and any other aspects of your child's/young adult's education and care.

Also, we have invited adult social care providers from the local community to attend Parents Evening. They will be based in the school hall between 3:30pm and 5:30pm and will be available to speak with yourselves, providing you with information on the services they offer post The Garth School. As yet, we are unsure as to how many guests we will have joining us but I will contact you again nearer the day to inform you of who will be in attendance.

Please indicate below the time slots you are able to come and send the slip back into school. You will then be allocated a 10 minute time slot to meet with your child's class teacher. If you are unable to come into school on this day, you are more than welcome to contact your child's/young adult's class teacher directly and arrange a mutually convenient time and date for you to come into school.

Yours Sincerely,

Claire Moore
Head of School
