During the year all students will take part in a work experience program. This ranges from Independent placements at local firms to a supported program where students learn about the world of work, how they need to behave in different settings, what different jobs/setting involve and then participating in a supported/independent work placement. They will also attend Boston College and complete a range of courses throughout the year.

Option Courses Available (Year 2) Students select one of the below and follow the course for two years.
