Six	A Journey Through Time	Recycling	Traditional Tales/ Myths and Legends

The table above highlights the Three Year Cycle used for pupils accessing education in Key Stage Three. The topics are broad and balanced and allow for a creative and thematic approach to the pupils education and experiences within each topic. The pupils in Key Stage Three are assessed using the P Level Descriptors for Foundation Subjects and PIVATS for the Core Subject delivered within each Topic. More Able Pupils within Key Stage Three assessed using the guidelines within the New Primary National Curriculum 2014 for Foundation Subjects and PIVATS for Core Subjects.
