The table above highlights the Four Year Cycle used for pupils accessing education in Key Stage Two. The topics are broad and balanced and allow for a creative and thematic approach to the pupils education and experiences within each topic. The pupils in Key Stage Two are assessed using the P Level Descriptors for Foundation Subjects and PIVATS for the Core Subject delivered within each Topic. More Able Pupils within Key Stage Two assessed using the guidelines within the New Primary National Curriculum 2014 for Foundation Subjects and PIVATS for Core Subjects.
