

Semi Formal Curriculum

1. What are we trying to achieve?

Curriculum vision, mission and aims	At CIT Academies we work collaboratively with young people, their parents and other professionals to meet our students at their point of learning. We offer creative and personalised curricula which enable learners to communicate, build connections and problem solve within the classroom and beyond. We ensure our learners are fully engaged within a positive and stimulating learning environment. We provide opportunities for cross-curricular and contextualised learning to maximise the lifelong outcomes for each individual. We ensure our learners are fully engaged with a positive and stimulating learning environment.					
Areas of need	Communication and Interaction	Cognition and learning	Social, Emotional and Mental Health	Sensory and /or Physical		
Focus for Learning	Attitudes and Attributes		Skills		Knowledge and Understanding	
All learners have the right to....	Good quality education	Identity and Voice	Information	Safety	Friendships	Health and well-being
