

The Garth School  
PE and Sport Premium Funding Strategy 2018-2019

The PE and Sport Premium is additional funding from the government to provide additional funding for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school.

Through the spending of this money it is the intention of The Garth School to:

- Raise the standard of PE provision in the school through the development of professional skills of staff
- Increase the range and provision of sports opportunities within school
- Increase the range and provision of competitive sports opportunities
- Ensure the acquisition of resources to effectively deliver the extended provision
