Dear Applicant,

Re: Teacher Vacancy (with TLR opportunity)

I am delighted that you are considering joining our dedicated team of professionals.

Enclosed or attached is all the information you need relating to the job for which you are applying. Our website also contains lots of information about our school and the Trust.

The school is a vibrant and exciting place to work and we are looking for a Teacher who will embrace our ethos and always put our pupils first. The teaching role is likely to be within a combined KS2 and 3 class group; although this is flexible depending upon the particular strengths of the successful applicant.

Pupil numbers have risen sharply over the course of the last few years and discussions are underway with the Local Authority regarding a proposed redevelopment of both the Garth and Priory school sites. The school is a member of the Community Inclusive Trust (CIT) and enjoys both the support and challenge of several other special schools within the MAT. CIT has its own Teaching School, "LEARN" and as result, access and opportunity to continuing professional development is plentiful.

If you believe you have the enthusiasm, skill and experience to add value to our team, then I would really like to receive your application. If there is anything else you wish to know, or if you would like to visit before completing your application form, please telephone to make an appointment.

The closing date for applications is Thursday 1st February 2018.

I look forward to hearing from you.

Yours sincerely,

Daran Bland
