

**Level 3 Apprentice Teaching Assistant Posts
in partnership with Boston College**

Wanted for September 2017

We are a special school for students aged 2-19 with severe and complex learning difficulties

We can provide you with:

- Welcoming children and young people who will make every day rewarding
- An enthusiastic and supportive group of colleagues
- A recognised qualification through Boston College
- Extensive experience in support to children with Autism, Profound and Multiple Learning Difficulties, Communication disorders and Mobility difficulties
- The potential for further career development with us: a previous apprentice is currently studying for a degree in Child Development whilst working at the Garth

Successful candidates will have:

- Energy, enthusiasm and a good sense of humour
- A willingness to take on new challenges
- Grades C or higher in English and Maths

The application process:

1. Contact Miss Claire Redford, School Administrator on 01775 725566, jobs@garth.lincs.sch.uk to request an application form
2. Submit application form as soon as possible and not later than 21st June 2017
3. Formal interviews with representatives from the Garth School and Boston College on 28th June
4. Apprenticeship starts in September 2017
